

Creation Science

Part 5

By Pastor Grant Williams

John 9:39 AMPC

39 Then Jesus said, I came into this world for judgment [as a Separator, in order that there may be separation between those who believe on Me and those who reject Me], to make the sightless see and to make those who see become blind.

John 12:46 AMPC

46 I have come as a Light into the world, so that whoever believes in Me [whoever cleaves to and trusts in and relies on Me] may not continue to live in darkness.

John 18:37 AMPC

37 Pilate said to Him, Then You are a King? Jesus answered, You say it! [You speak correctly!] For I am a King. [Certainly I am a King!] This is why I was born, and for this I have come into the world, to bear witness to the Truth. Everyone who is of the Truth [who is a friend of the Truth, who belongs to the Truth] hears and listens to My voice.

Psalm 119:130 KJV

130 The entrance of thy words giveth light; it giveth understanding unto the simple.

Psalm 119:130 AMPC

130 The entrance and unfolding of Your words give light; their unfolding gives understanding (discernment and comprehension) to the simple.

We have studied how the indoctrination of evolution thru the military, government and education has aided what is behind the curtain... humanism or there is no creator. Evolution needs time so no one can prove it's not true... if we are told bacteria turned into a man quickly in a couple of months or even years we would know it is a fairly tale because that is measurable, testable and observable.

If we are told a primate turned into a man quickly in a couple of months or even years we would know it is a fairly tale because that is measurable, testable and observable. In order for the lie to be believed evolution needs the one key ingredient... billions of years. Who can question what happened billions of year ago? Remember, science is systemized knowledge derived from observation and study.

A majority of scientist (over 66%) believe in Darwin evolution (macro) but that doesn't make it true. It is true they believe it, but what they believe is not true. There was a time when the scientists thought the planets went around the earth...

For 2,000 years scientists taught that heavy objects fall faster then light ones. Galileo proved all objects fall at the same speed in a vacuum. Scientist used to teach if you are sick you have bad blood, take out the blood and you will get better. George Washington was bled twice by his doctors before he died on December 14, 1799.

The barber pole's colors are a legacy of a (thankfully) long-gone era when people went to barbers not just for a haircut or shave but also for bloodletting and other medical procedures. Starting during the Middle Ages bloodletting, which involves cutting open a vein and allowing blood to drain, was a common treatment for a wide range of maladies, from sore throat to plague.

Monks, who often cared for the sick, performed the procedure, and barbers, given their skill with sharp instruments, sometimes provided assistance. After Pope Alexander III in 1163 prohibited clergymen from carrying out the procedure, barbers added bloodletting—something physicians of the day considered necessary but too menial to do themselves—to their repertoires.

Known as barber-surgeons, they also took on such tasks as pulling teeth, setting bones and treating wounds. Ambroise Pare, a 16th-century Frenchman considered the father of modern surgery, started his career as a barber-surgeon.

The look of the barber pole is linked to bloodletting, with red representing blood and white representing the bandages used to stem the bleeding. The pole itself is said to symbolize the stick that a patient squeezed to make the veins in his arm stand out more prominently for the procedure. In Europe, barber poles traditionally are red and white, while in America, the poles are red, white and blue. One theory holds that blue is symbolic of the veins cut during bloodletting, while another interpretation suggests blue was added to the pole as a show of patriotism and a nod to the nation's flag.

So, are scientists always right? It is true they believe it, but what they believe it not true.

Did you know that right next to George Washington, a godly man, as the surgeon drained his blood there was his Bible...

Leviticus 17:11 KJV

11 For the life of the flesh is in the blood:

Trust the science? I believe the scientists?

Romans 1:22-32 KJV

22 Professing themselves to be wise, they became fools,

Romans 1:22-32 AMPC

22 Claiming to be wise, they became fools [professing to be smart, they made simpletons of themselves].

This is what the wisest person that God ever created said...

Proverbs 14:12-16 AMPC

12 There is a way which seems right to a man and appears straight before him, but at the end of it is the way of death.

13 Even in laughter the heart is sorrowful, and the end of mirth is heaviness and grief.

14 The backslider in heart [from God and from fearing God] shall be filled with [the fruit of] his own ways, and a good man shall be satisfied with [the fruit of] his ways [with the holy thoughts and actions which his heart prompts and in which he delights].

15 The simpleton believes every word he hears, but the prudent man looks and considers well where he is going.

16 A wise man suspects danger and cautiously avoids evil, but the fool bears himself insolently and is [presumptuously] confident.

The never wrong Prophet Hosea said...

Hosea 4:6 AMPC

6 My people are destroyed for lack of knowledge;

David wrote...

Psalms 119:130 KJV

130 The entrance of thy words giveth light; it giveth understanding unto the simple.

Psalms 119:130 AMPC

130 The entrance and unfolding of Your words give light; their unfolding gives understanding (discernment and comprehension) to the simple.

You and I need wisdom to navigate the days we are living based on hearing the truth.

James wrote...

James 1:5 KJV

*5 If any of you lack wisdom, let him ask of God, that giveth to all men liberally, and **upbraideth not**; and it shall be given him.*

James 1:5 AMPC

5 If any of you is deficient in wisdom, let him ask of [a]the giving God [Who gives] to everyone liberally and ungrudgingly, without reproaching or faultfinding, and it will be given him.

Solomon wrote...

Proverbs 4:7 KJV

7 Wisdom is the principal thing; therefore get wisdom: and with all thy getting get understanding.

Proverbs 4:7 AMPC

7 The beginning of Wisdom is: get Wisdom (skillful and godly Wisdom)! [For skillful and godly Wisdom is the principal thing.] And with all you have gotten, get understanding (discernment, comprehension, and interpretation).

Proverbs 14:15 AMPC

*15 **The simpleton believes every word he hears, but the prudent man looks and considers well where he is going.***

Remember, we need to have compassion towards people who have been duped and deceived by a godless education system who don't believe God's word is the truth. They have been indoctrinated into believing a portion of what is true and it's what's not true that's could kill them not just physically, but may lead to spending all of eternity in hell because they don't believe God's Word is true.

John 8:31-32 AMPC

*31 So Jesus said to those Jews who had believed in Him, **If you abide in My word [hold fast to My teachings and live in accordance with them], you are truly My disciples.***

32 And you will know the Truth, and the Truth will set you free.

So, how old is the earth? How can we know the truth?

If you were to go on an expedition in search for a sunken treasure and found gold coins in the chest dated from 1650-1680... if someone were to ask you when that boat sank you could answer, sometime after 1680. It is the newest coin and not the oldest coin that would tell me a date no earlier than the boat could have sunk.

There are many different ways that people try and date the earth...that outcome ranges from 6 thousands of years to billions and billions of years. Scientists from the evolution or humanist position become very worried about the smaller numbers.

When scientist look at dinosaur bones there are some obvious facts. The bones do not tell you how old they are, they don't talk and there is no date stamped on the bones i.e. made in China or Taiwan 70 million B.C. So how do you tell the age of a fossil? How do you tell the age of the earth? The Bible says 6,000 years and the text books say billions. Somebody is wrong... there is a big difference between those 2 numbers no matter who you are. So how do you show or prove it's not billions of years old?

Paleontology vs Archaeology: What is the difference?

Paleontology is the scientific study of fossils to learn about the history of non-human life on Earth. Archaeology is the scientific study of human-made artifacts and structures to learn about ancient people and cultures. Scientists in each field (paleontologists and archaeologists) may both conduct field excavations and add newly-discovered specimens to a museum. Otherwise, there is very overlap between paleontology and archaeology.

The Bible says God created everything 6,000 years ago and if you believe the Bible is true that raises some interesting questions. What about dinosaurs? What about carbon dating? How did the light from the stars get here? What about the Grand Canyon? (Didn't it take millions of years to form?) What about the geological column?

Genesis 1:1 KJV

*1 **In the beginning God created** the heaven and the earth.*

So when was the beginning? This is what Paul told the Church in Colossians 1 that Jesus did something...

Colossians 1:16 KJV

16 For by him were all things created, that are in heaven, and that are in earth, visible and invisible...

Colossians 1:16 AMPC

*16 **For it was in Him that all things were created**, in heaven and on earth, things seen and things unseen...*

So who created everything? Was it God or Jesus?

John 1:1 AMPC

1 In the beginning [before all time] was the Word (Christ), and the Word was with God, and the Word was God Himself.

Here's Jesus speaking about when was the beginning...

Matthew 19:4 KJV

*4 And he answered and said unto them, Have ye not read, that he which made them **at the beginning made them male and female**,*

The beginning or when the world was made, God made man and women...How old is the earth? Jesus said look at the genealogies of man. It was when Adam and Eve were created that the earth was made. If you don't like what Jesus said in Matthew 19, how about Mark 10...

Mark 10:6 KJV

6 But from the beginning of the creation God made them male and female.

From the time that Jesus was stating the facts, the genealogies of man was 4,000 years old and that was 2,000 years ago. So, in the beginning, when God made everything was 6,000 years ago. Jesus said the beginning of creation is when male and female were created. This is very clear and not meant to confuse anyone.

Romans 1:22-32 AMPC

22 Claiming to be wise, they became fools [professing to be smart, they made simpletons of themselves].

Notes: _____

This is what Paul wrote other church...

Romans 5:12 KJV

12 Wherefore, as by one man sin entered into the world, and death by sin; and so death passed upon all men, for that all have sinned:

Romans 5:12 AMPC

12 Therefore, as sin came into the world through one man, and death as the result of sin, so death spread to all men, [[a]no one being able to stop it or to escape its power] because all men sinned.

Death didn't enter the world until Adam was created... no "thing" before him. No other humans, no caveman... no "thing" had ever died before.

1 Corinthians 15:21-22 AMPC

21 For since [it was] through a man that death [came into the world, it is] also through a Man that the resurrection of the dead [has come].

22 For just as [because of their [a]union of nature] in Adam all people die, so also [by virtue of their [b]union of nature] shall all in Christ be made alive.

The Bible is not ambiguous, not confusing, not trying to deceive or open up a discussion on the age of the earth. Paul even reminded the church that Adam was the first man.

1 Corinthians 15:45 AMPC

45 Thus it is written, The first man Adam became a living being (an individual personality); the last Adam (Christ) became a life-giving Spirit [restoring the dead to life].

Genesis 3:20 AMPC

20 The man called his wife's name Eve [life spring], because she was the mother of all the living.

There is nothing new under the sun... God Word hasn't changed.,

Ecclesiastes 1:9-10 AMPC

9 The thing that has been—it is what will be again, and that which has been done is that which will be done again; and there is nothing new under the sun.

10 Is there a thing of which it may be said, See, this is new? It has already been, in the vast ages of time [recorded or unrecorded] which were before us.

So, all we have to do is add up the dates... simple math to be a good Berean.

Genesis 5:3 KJV

3 And Adam lived an hundred and thirty years, and begat a son in his own likeness, and after his image; and called his name Seth:

Genesis 5:6 KJV

6 and Seth lived an hundred and five years, and begat Enos:

Genesis 5:9 KJV

9 And Enos lived ninety years, and begat Cainan:

You can refer to the longevity charts that I have handed out in the past and add up the dates... when Jesus spoke in Matthew 19, the earth, man, the animals was 4,000 years old. The time of Jesus time here on earth was 2,000 years ago making the earth or the beginning, 6,000 years ago.

The textbooks say the earth is billions of years old and Jesus said the creation of Adam was the beginning. Was Jesus lying to us?

Matthew 19:4 KJV

*4 And he answered and said unto them, **Have ye not read, that he which made them at the beginning made them male and female,***

Maybe Jesus didn't understand science... He was only the son of God and didn't have the degrees that those who He and His Father created had from the education systems absent of God as the creator.

Job 38:4, 18 AMPC

4 Where were you when I laid the foundation of the earth?

*18 ...**Tell Me, if you know it all.***

How old is the earth, when was the beginning?

Hebrews 1:10 KJV

10 And, Thou, Lord, in the beginning hast laid the foundation of the earth; and the heavens are the works of thine hands:

Hebrews 1:10 AMPC

10 And [further], You, Lord, did lay the foundation of the earth in the beginning, and the heavens are the works of Your hands.

So evolution teaches that billions of years ago nothing exploded and became something. Then after billions of more years lava rock formed and was cooled by rain 4.5 billions years ago... then those rocks formed and evolved into bacteria which eventually after time (billions of years) formed a women and a man which was now able to reproduce itself. So, we came from rocks or from a man and a women that God created. What do you believe?
